POLICE DEPARTMENT.  
Chief Commissioner's Office.

Melbourne 16<sup>th</sup> September, 1916

Sir,  
I beg to forward herewith lists of the Greek cafes and clubs and of the Greek residents in Victoria as desired in your letter of the 8<sup>th</sup> June

In order not to raise suspicion the particulars furnished have not been obtained from the persons themselves but are fairly accurate. The distances given are from the local police stations, the distances of the latter from Melbourne being easily obtainable.

Respecting the general characteristics of the persons I may state that they are all engaged in business and that there are few idlers or loafers among them. They are very law abiding crime being practically nil.

A number of them are wealthy and the opinions of the police asked that they are generally loyal to the allies.

MEMORANDUM for -

Queens House, Melbourne,  
17th September, 1920.

The Chief Commissioner of Police,  
MELBOURNE.

With reference to the attached request from the Consul for Greece, I would be glad if you will advise the writer that his letter of the 3rd instant, has been forwarded to the Commonwealth Department administering the Aliens Registration Regulations, who will reply to him direct.

*Copy* Greeks Called to the Colors  
In consequence of the campaign by the Greeks against the Turks in Asia Minor, Mr. A. V. Maniachi, consul for Greece in Melbourne, yesterday received an intimation from the Greek Legation in London that by a Royal decree the following had been called to the colors:—1, the army reservists belonging to the class of year 1915, registered in the provinces of Old Greece (i.e., Macedonia, Epirus and Aegean Islands excluded); 2, the army conscripts of 1921; 3, those Greeks who acquired Greek nationality from 1st May, 1918, to 30th June, 1920. By another Royal decree the following were summoned to the colors in the navy:—1, the naval conscripts of 1920 (i.e., born in 1900); 2, the naval reservists of the first series of conscription of years 1916 and 1917. The former should be presented to the naval authorities at Poros, and the latter to the authorities of the arsenal at Salamis. The consul has been asked to bring these decrees to the knowledge of Greek subjects residing in Victoria.

POLICE DEPARTMENT.

CHIEF COMMISSIONER'S OFFICE.

MELBOURNE 20/9/20.

Sir,

Following upon your letter dated 3rd. instant requesting certain information for statistical purposes of the number of Greek Citizens domiciled in this State, I have to inform you that I am not able to supply the desired information, but have transmitted your letter to the Commonwealth Department administering these Regulations who will reply to you direct.

Yours faithfully,

Chief Commissioner.

The Consul for Greece,  
Melbourne.

Melbourne,  
1st Oct., 1920.

Major Jones,

Re Statistics of Greek subjects.

A comparison has been made between the lists prepared by the police and the registration forms filed in this office regarding the above and the respective totals are as follow:-

	Males.	Females.	Total.
Police list "A"	413	37	450.
" " "B"	480	37	517.
Registered.	220	47	267.

Allowing for a reduction of 10% for those who were naturalized or left the Commonwealth between the times the lists were prepared and the coming into operation of the Aliens Registration Regulations there is still a discrepancy of nearly 100%, apart from those who have since entered the C'wealth or have acquired Greek nationality by marriage.

*W. W. Rowe.*

Queens House, Melbourne,  
6th October, 1920.

Sir,

Your letter of the 3rd September last addressed to the Superintendent of Police, Police Barracks, Russell Street, asking for the number of Greeks domiciled in Victoria for Census purposes, was referred to this Department.

The Aliens Registration records show that there are 267 Greeks registered in Victoria, males 220, females 47. It is known that these numbers do not represent anything like the number of Greeks domiciled in this State, and steps will be taken to see that the Aliens Registration Regulations are more rigidly observed by the Greek Community.

I would be glad if you can assist us in promulgating our intentions, as far as possible, amongst the Greek residents generally.

Yours faithfully,

  
..... Director  
Investigation Branch.

A.V. Maniachi Esquire,  
Consul for Greece,  
MELBOURNE.

Melbourne,  
7th Oct., 1920.

Major Jones,

Re statistics of Greek subjects.

I have to report that I interviewed Mr. Maniachi of Queen St. Melbourne, Consul for Greece to day with reference to the above. After pointing out the discrepancy between the number of Greeks registered in accordance with the Aliens Registration Regulations and those shown on the lists prepared by the police, he stated that he was sure ~~that~~ there were a great number who were not naturalized who had not registered. He also said that the Greek Government was desirous of obtaining the total number of Greek subjects resident in Australia for census purposes, including those who had become naturalized, as the fact of a Greek subject having become naturalized in Australia or any other country did not effect his original nationality, according to the Greek constitution. In fact before a Greek subject can divest himself of his original nationality an act of Parliament must be passed empowering him to do so. He further stated that he always facilitated the naturalization of a Greek subject in Australia as it was principally for business purposes and did not effect his citizenship as a Greek. During the war Mr. Maniachi stated a number of Greek subjects came to him for the purpose of obtaining passports and certificates of nationality, and in some cases brought Germans with them and endeavoured to obtain documents by virtue of which the Germans could claim Greek nationality, but he would have nothing to do with them. They offered to pay him well if he would comply with their request. As regards the best means of causing Greek subjects, who had not complied with the Aliens Registration Regulations, to register he stated that he would issue circulars to all the Greek clubs notifying them that it was the intention of the authorities to prosecute all offenders against the Regulation

Melbourne,  
29th Sept., 1920.

Major Jones,

According to the records of this office there are 267 persons resident in this State registered as Greek subjects in accordance with the Aliens Registration Regulations consisting of 220 males and 47 females. It is considered that the number registered does not nearly represent the actual number of Greeks resident in this State.
